

BRANDT Manni-Plex® Root Builder

Build Stronger, Healthier Turf and Ornamentals

Applying the right combination of nutrients produces outstanding greens, tees and ornamentals. BRANDT MANNI-PLEX foliar nutrients were designed to deliver nutrition quickly and efficiently. Their small molecular size and weight helps get more nutrition into the plant for better results.

Key Benefits of BRANDT MANNI-PLEX ROOT BUILDER

Efficiency

- Quickly supplies readily available N, Mg, B, Cu, Mn and Zn to plants and turf
- Proprietary formulation coats leaves and sticks to the surface, making nutrients available longer

Effectiveness

- Builds strong, healthy and vibrant plants and turf
- Enhances root mass and growth
- Helps turf and plants better withstand stress
- Delivers consistent results

Easy to Use

- Ready-to-use liquid formulation
- Compatible with most fungicides, insecticides and PGR's
- May applied using ground equipment, through fertigation or as a soil drench

Small particle size and low molecular weight allow nutrients to move to plant growth points quickly.

Guaranteed Analysis

Total Nitrogen (N)	3.00%
2.75% Nitrate nitrogen	
0.25% Urea nitrogen	
Magnesium (Mn)	0.50%
0.50% Water soluble magnesium	
Boron (B)	0.20%
0.20% Water soluble boron	
Manganese (Mg)	0.05%
0.90% Water soluble manganese	
Zinc (Zn).....	4.70%
4.70% Water soluble zinc	

Derived from magnesium nitrate, copper nitrate, manganese nitrate, zinc nitrate, urea and sodium borate. F76

Application and Use

MANNI-PLEX® should be applied to actively growing plants and turf throughout the year. For best results apply early morning or late evening.

Ornamental Crops: Apply 1-2 quarts per 100 gallons water. Cover foliage thoroughly to point of runoff.

Turf (Commercial):

Green & Tees: 2-5 fl oz per 1,000 sq ft.
 Fairways & Sports Turf: 2.5-6.5 quarts per acre.
 Overseeding: 2 fl oz per 1,000 sq ft after germination.
 Sod Installation: 2 fl oz per 1,000 sq ft at installation.

For more information, see BRANDT's Summer/Winter Success Spray programs. Always read full label before use.
