

Brandt® Uptake Advanced

Humic Acid

CONTAINS NONPLANT FOOD INGREDIENT:

Active Ingredient

6% Humic acid derived from leonardite ore

94% Inert Ingredients

Humic acid analyzed by acid precipitation method.

F76

General Information

BRANDT UPTAKE ADVANCED is a non-alkaline extracted humic acid solution that may increase micronutrient uptake. This product is slightly acidic, making this formulation compatible with acidic solutions and with non-chelated nutrients such as calcium, magnesium, iron, manganese and zinc.

Application Instructions

This product can be applied any time during the crop cycle, from planting to harvest.

Foliar Applications: Apply 1-4 quarts per 10-100 gallons of water per acre throughout the growing season.

Fertigation: Apply through irrigation systems at a rate of 1-2 gallons per acre.

Mixing Instructions

For foliar applications, put 1/3 to 2/3 of total desired water volume in tank. Add recommended amount of product and agitate until thoroughly mixed. Add adjuvant(s) and pesticide(s) if desired and agitate until thoroughly mixed. Fill tank with remainder of water.

Net Contents: 2.5 gallons (9.46 liters)

Density: 9.2 lb/gal @ 68°F

Net Weight: 22.7 lb (10.3 kg)

Packaged: 2 x 2.5 gallons (9.46 liters)

42009BRN100

2015-10 (GHS)

For injection into fertigation, drip lines or mixing with concentrates, perform a jar test to evaluate compatibility with chemical mixtures. This product has shown good compatibility with many fertilizer blends including 4-0-8, phosphoric acid, UAN solutions, and micronutrients, including calcium and magnesium solutions. Tank mixtures should be used in a timely manner. Do not mix with 10-34-0 or 11-37-0.

Information regarding the contents and levels of metals in this product is available on the Internet at <http://www.aapfco.org/metals.htm>. Information about the components of this lot of fertilizer may be obtained by writing to Brandt Consolidated, Inc. and giving the lot number which is found on the label.

WARNING: Causes eye and skin irritation.

Precautionary Statements: Wear protective gloves. Wash thoroughly after handling. Avoid release to the environment. **First Aid:** *If in eyes:* Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. *If eye irritation persists,* get medical attention. *If on skin:* Wash with plenty of water. If skin irritation occurs, get medical attention. Take off contaminated clothing and wash before reuse. **Storage and Disposal:** Do not contaminate water, food or feed by storage or disposal. Keep out of reach of children. Store away from incompatible materials. Dispose of contents/container in accordance with local regulations.

Warranty: Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use; but neither this warranty nor any other warranty of merchantability or fitness of a particular product expressed or implied, extends to the use of this product contrary to label conditions, or under conditions not reasonably foreseeable to the seller, and buyer assumes the risk of any such use.
