

Brandt[®] Mean & Green

Grass Paint and Divot Sand Colorant

BRANDT MEAN & GREEN is a non-fading, permanent grass colorant that can be applied anytime during the year and will not injure turfgrass. One spray application in the fall assures beautiful green turf all winter without seeding, fertilizing, watering, or mowing. This product is a fast and economical way to instantly restore the natural green color to dormant or discolored turf. It blends in beautifully with most types of grasses, since color shade is controlled by the amount applied.

Directions For Use

Divot Sand Colorant: Load the divot sand mix into a suitable vessel, ideally a portable concrete mixer or a large wheel barrow. Dilute 1-2 quarts of BRANDT MEAN & GREEN in 5 gallons of water, then slowly pour or spray over the divot sand while turning and mixing to ensure even color distribution. If too much liquid is present, add more sand until it is dry. Apply the colored divot mix to the divot tracks as usual.

Grass Paint: BRANDT MEAN & GREEN may be sprayed on all grasses after they have become dormant or turned brown due to frost or cold. Mow to desired length and rake up all leaves, twigs, grass clippings, etc. If some evergreen grasses are present, mow to desired height before application. When the evergreen grasses grow out, raise the cut 1/4 inch above the sprayed dormant grass. Apply only when the temperature is above 50° or above 40° and rising. Grass may be damp but not wet. A calm day is preferable to avoid drift of spray mist.

Where this product is not desired, thoroughly pre-wet any surface (patios, walks, driveways, curbs, etc.) and then rinse these areas immediately after application.

Mix one part BRANDT MEAN & GREEN with ten parts water and mix thoroughly. Agitate spray mixture occasionally during use. It is recommended that power spray equipment be used unless the area to be sprayed is quite small. Hold nozzle about 12 inches above grass to avoid drift onto shrubs, walls, etc. When possible, spray in a grid pattern so that all angles of the blades

of grass are sprayed. Final turf color depends on how many spray applications are made. Wash out equipment by flushing with generous amounts of water immediately after use.

Drying Time: BRANDT MEAN & GREEN will withstand traffic or rain approximately one hour after application under normal conditions. More time may be required in cool or humid weather.

Coverage: 1 gallon of BRANDT MEAN & GREEN in approximately 10 gallons of water will cover 2,000-6,000 sq. ft. depending on thickness of grass. When "touching up" non-dormant grass, lighter coverage may be desirable.

WARNING: Suspected of causing cancer if inhaled. This product contains carbon black. In its original dry powder form, carbon black is known to cause respiratory issues and cancer in animals. As an aqueous dispersion, it is not expected to be an inhalation hazard under normal use. The customer is responsible for using proper personal protective equipment when using this product and understanding their requirements under OSHA based on their use of this product.

Precautionary Statements: Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear eye/face protection and protective gloves/clothing. Avoid release to the environment. **First Aid:** If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical attention. If on skin: Wash with plenty of water. Take off contaminated clothing and wash before reuse. If skin irritation persists, get medical attention. If exposed or concerned, get medical attention. **Storage and Disposal:** Do not contaminate water, food or feed by storage or disposal. Keep out of reach of children. Store locked up. Dispose of contents/container in accordance with local authority requirements.

Warranty: Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use; but neither this warranty nor any other warranty of merchantability or fitness of a particular product expressed or implied, extends to the use of this product contrary to label conditions, or under conditions not reasonably foreseeable to the seller; and buyer assumes the risk of any such use.
