

Brandt® Green Toes SS

Spray Pattern Indicator

Super Concentrated Temporary Green Colorant

General Information

Designed to mark chemical spray solutions on golf courses, parks, turf, nursery and commercial applications. Eliminates overlapping or skipping of areas. BRANDT GREEN TOES SS is great for use with herbicides, fungicides, fertilizers, and pesticides.

Directions for Use

Turf Application: Add to water based spray solutions at the rate of 6-10 fl. oz. per 100 gallons of spray solution, depending on turf color and height. May be used with all types of spray equipment.

Hydroseeding and Mulch Slurries: Add 1 qt. to slurry tank to color 500-800 gallons, before adding mulch to tank.

Precautionary Statements: Based on currently available data, this product is not classified as a hazardous substance. However, observe good industrial hygiene practices. Wash hands after handling. **Storage and Disposal:** Do not contaminate water, food or feed by storage or disposal. Keep out of reach of children. Store away from incompatible materials. Dispose of contents/container in accordance with local authority requirements.

Warranty: Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use; but neither this warranty nor any other warranty of merchantability or fitness of a particular product expressed or implied, extends to the use of this product contrary to label conditions, or under conditions not reasonably foreseeable to the seller; and buyer assumes the risk of any such use.

Net Contents: 1 quart (32 fl. oz)
Packaged: 12 x 1 quart (32 fl. oz)
