

BRANDT® ANTIXX® PLUS

Insect, Slug and Snail Bait

BRANDT ANTIXX PLUS is a patented dual-active insect, slug and snail bait this is approved for use in organic production (OMRI).

The two primary active ingredients are iron phosphate and Spinosad. Spinosad is derived from the naturally occurring soil organism, *Saccharopolyspora spinosa*.

Spinosad has a unique mode of action that excites the insect nervous system, which leads to involuntary muscle contractions, tremors, and finally paralysis and death. Iron phosphate causes slugs and snails to cease feeding.
