

Brandt® 0-8-0

Foliar Nutrient

0-8-0

Guaranteed Analysis

Available Phosphate (P ₂ O ₅)	8.0%
Sulfur (S)	2.2%
Iron (Fe)	3.0%
Zinc (Zn)	1.0%

Derived from phosphoric acid, ferrous sulfate and zinc sulfate. F76

General Information

BRANDT 0-8-0 provides highly available plant food for foliar feeding and is compatible with most pesticides for combination spraying. It is primarily intended for post-bloom use during fruit and seed formation. Follow recommendation of local agricultural authorities for specific rates and timing.

Rate Recommendations

Field, Row, Vegetable Crops: Apply 1-2 quarts per acre in at least 20 gallons water per acre for ground sprayers or 3 gallons for aircraft. Repeat as needed.

Fruit, Tree and Vine Crops: Apply 2 quarts per acre in at least 100 gallons water per acre with conventional sprayers, 40-100 gallons with concentrate sprayers, or 10 gallons for aircraft. Repeat as needed. On waxy foliage or smooth skinned fruit, add sufficient spreader for smooth wetting to avoid spotting.

Turf and Ornamentals: Apply 1-2 quarts per acre (0.75-1.5 fl.oz. per 1,000 sq.ft) in sufficient water for thorough coverage. Repeat as needed.

Optimum rate of application will vary depending on soil properties (such as pH, organic matter content, texture), weather conditions, time of year, general crop health and crop species. For best results, follow soil or plant tissue test recommendation to monitor specific levels of nutrients and maintain these levels for optimum plant growth.

Net Contents: 2.5 gallons (9.46 liters)

Density: 10.1 lb/gal @ 68°F
Net Weight: 25.0 lb (11.3 kg)

32002BRN100
2016-07 (GHS)

Mixing and Handling Instructions

Put 1/3 to 2/3 of total required water volume in tank. Add adjuvants, other fertilizers and pesticides if desired and agitate until thoroughly mixed. Add recommended amount of BRANDT 0-8-0 and agitate until mixed. Fill tank with remainder of water. NOTE: Check chemical mixture compatibility using a jar test prior to application.

CAUTION: Make test applications on a few plants if using combinations not known to be safe. To avoid phytotoxicity, do not apply with copper or lime-sulfur fungicides, or during bloom.

Information regarding the contents and levels of metals in this product is available on the Internet at <http://www.aapfco.org/metals.htm>
Information about the components of this lot of fertilizer may be obtained by writing to Brandt Consolidated, Inc. and giving the lot number which is found on the container or label.

DANGER: Causes severe skin burns and eye damage. Harmful if swallowed.

Precautionary Statements: Wear eye/face protection and protective clothing/gloves. Do not breathe mist or vapor. Wash thoroughly after handling. Do not eat, drink or smoke when using this product. Avoid release to the environment. **First Aid:** *If in eyes:* Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a doctor. *If on skin:* Take off immediately all contaminated clothing. Rinse skin with water. Wash contaminated clothing before reuse. *If swallowed:* Rinse mouth. Do NOT induce vomiting. *If inhaled:* Remove person to fresh air and keep comfortable for breathing. **Storage and Disposal:** Do not contaminate water, food or feed by storage or disposal. Keep out of reach of children. Store locked up. Dispose of contents/container in accordance with local regulations.

Warranty: Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use; but neither this warranty nor any other warranty of merchantability or fitness of a particular product expressed or implied, extends to the use of this product contrary to label conditions, or under conditions not reasonably foreseeable to the seller; and buyer assumes the risk of any such use.
